Portfolio Rebate: A brand is considered eligible if each location meets 20 net units invoiced for the specific brand on a rolling 12-month period at the end of each quarter (40 net units invoiced for Ray-Ban & Oakley). In case of multi-locations practices, total brand count is based on an average across office locations. Only for brands managed through Frame Dream, a brand is considered active if above criteria is met or if the location re-orders at least 5 units through the Frame Dream portal in the current quarter. This rebate can also be earned based on quarterly sales volume per location, in case of multi-locations practices, it will be based on average quarterly sales across all office locations.

Complete Job Rebate: 5% complete job rebate is applied to Luxottica frame only. For members on Frame Dream, complete jobs must be through the Frame Dream Portal. Non-Frame Dream complete jobs must be complete with Oakley, Ray-Ban or Costa authentic prescription lenses.

Loyalty Rebate: Rebate for \$25,000 in purchases during a half year (January – June and July- December) and growth of 5% year over year in total portfolio sales.

Focus on Frames: Members will be able to join the Focus on Frames program on the first day of each quarter. Focus on Frames members are eligible for the Loyalty and EL360 rebates. Focus on Frame members automatically qualify for the EL360 level Pro rebate. Please reach out to your Frame Dream field consultant for details about the Focus on Frames program. If you are on the Focus on Frames program, you do not qualify for the additional Vision Source program rebates outlined.
