## #MIU MIU GLIMPSE ACETATES

The new Spring Summer 2023 Miu Miu collection continues to celebrate the success of **bold vertical logo** at center stage with **new shapes** showing a **disruptive feel**. **Bold designs** in a full range of **feminine shapes**. **Full acetate contemporary shapes** with a **linear yet distinctive design**. Two different **temple executions**, all with the recognizable **Miu Miu vertical logo**.

## #MIU MIU GLIMPSE METALS

Light vertical logo still at centrale stage also on metals sun styles with sleek volumes and colorful lenses. **New** introduction of **oval shapes** disrupted by the metal rims uniquely detaching from the lenses before meeting the Miu Miu vertical logo hinge. **Refined and feminine metal executions** with one oversize and one narrow shape. **Colorful lenses aligned to Miu Miu DNA.**
